EXTERIOR PROJECTS

Trespa International B.V.
Trespa International B.V. specialises in high quality panel material for façade cladding and interior use. Trespa has both the expertise and the means to develop products for specific segments of the market. Trespa is continually looking for ways to protect the environment even more effectively.

Trespa guarantees quality of both products and services. We offer our customers optimal technical support as well as straightforward documentation. Proof of this approach is the award of the ISO 9001 and ISO 14001 certificates.

Whatever your requirements, Trespa offers a full support service. Please contact us for further information.

Conditions of Sale

To all our offers, quotations, sales, deliveries and supplies and/or agreements, and to all related services and activities the

Trespa International B.V. General Conditions of Sale apply, filed at the Venlo Chamber of Commerce on 11 April 2007, registered under number 24270677, and appearing on the website at www.trespa.com. The text of these General Terms and Conditions will be sent to you upon request.

Responsibility

We believe all information in this publication to be correct at the time of printing. It is intended as information concerning our products and their application possibilities and is therefore, not intended as any form of guarantee with regard to any specific product characteristic.

Colours

The colours in this document are printed, and therefore, may vary slightly from the original Trespa panel colours with respect to gloss, colour shades and surface texture. Original samples are available on request.

TURN IDEAS INTO REALITY

Trespa panels are used to create new and exciting façades all around the world. As a unique material, they provide architects and designers with the inspiration to create outstanding and innovative buildings.

In this folder, we highlight a small number of projects. Although few in number, they give an idea of the many possibilities. For a broader, more up-to-date overview please visit www.trespa.com, where you will also find the latest information on all of our products and services.

Talk to Trespa

If we have inspired you to think Trespa and you would like to obtain some personal advice or more detailed information, please contact your nearest Trespa office.
